**Subject:** DISTRIBUTION REPORT RECEIVE DISCREPANCY EQUITABLE SHARING AGREEMENT AND CERTIFICATION FISCAL YEAR 2021 (POLICE DEPARTMENT OF PUERTO RICO)

Dear Ms. Smallman,

Enclosed you will find four attachments that clarify the discrepancy in the Equitable Sharing Agreement and Certification for fiscal year 2021 (Police Department of Puerto Rico – PRPD)

**Attachment A** – pertains to the reports of all funds received during each fiscal year, amount posted in each ending fiscal year and the outstanding balance. As a reminder, our fiscal year starts from June 1 through July 30. Any amount that PRPD hasn't received at the end of each fiscal year, will be posted on the next fiscal year.

**Attachment B** - PRPD Equitable Sharing Agreement and Certification from FY 17 – 21 as reported in the E-Share Portal by the PRPD Finance Division.

**Attachment C** - Report of the amount received and posted in PRPD from each fiscal year and amount not posted from previous fiscal years; as requested on February 1, 2022.

**Attachment D** – Report of each sharing date and amount received, date posted and reported in fiscal year.

As part of the corrective action plan, PRPD will hold a meeting with the divisions responsible of the ESAC and provide guidance for its proper submission.

Sincerely,

**Agte. Antonio G. López Rodríguez**
